Gwaltney and Bunkley and Bain Companies to Build One in Petersburg.

IT WILL OCCUPY A BLOCK

The Common Council Decides in Favor of Mayor, Making Him Head of Police.

(Special to The Times-Dispatch.)
PETERSBURG, Va., June 25.—The Gwaltney and Bunkley Peanut Company, of Smithfield, Va., and the Bain Peanut Company, of Wakefield, Va., are to build a large peanut plant in Petersburg. It will occupy a square on Bollingbrook Street, between Madison and Fifth Streets. The lot for the plant was purchased by Petersburg citizens, and the entire establishment when complete will cost about \$100,000. The companies will handle both Virginia and Spanish peanuts, giving special attention to Spanish. The new plant will be of great benefit to Petersburg, and will concentrate much of the large peanut business in Petersburg. The plant is to be equipped with modern machinery, and its location with respect to railroads will give it exceptional facilities for transportation. Work is to begin at once, and the plant is expected to be ready for the coming crop.

BROKE INTO STORES.
Thieves last night broke into the stores of J. M. Newcomb and W. E. Ramey, on Bollingbrook Street. They secured a small amount of money from the cash registers in each store, but nothing else of value was missing.

The Fifth Ward reading rooms are to be placed under the direction of the Y. M. C. A. in this city. This decision was reached by a conference between the board of directors of the association and the managers of the reading rooms.

Burning Up from Inflamed Bowels.

The danger may have come from green or partially cooked vegetables, a bit of unripe fruit, a slice of melon or impure drinking water, but whatever the cause, TO-NI-TA quickly brings relief. It doesn't simply deaden the pain like so many "so-called" cures, but positively cures the trouble by destroying the poisonous germs and driving them gently and painlessly from the system. Druggists and doctors everywhere recommend TO-NI-TA.

Bainbridge Street Church.

One of the largest churches in Manchester is Bainbridge Street Baptist Church. This church was organized in April, 1857, in the old Masonic Hall on Fifth Street.

The first pastor was Gilbert Mason, who served three months. The second pastor was Jeter George, a brilliant young man, who took charge in November, 1857, and who died in April, 1858. The third pastor, Dr. W. E. Hatcher, was called in August, 1858, and for nine years was the pastor. During his pastorate, the present church building was completed and paid for. He had several revivals during these years, in one of

which over 200 converts were reported. The fourth, W. A. Duffey, was pastor for seven months, and he was followed by J. F. Deans, who served from May, 1860, to December, 1872. The sixth, Dr. B. Wintree, took charge of the church in 1873, and for six years did a fine work as pastor, preaching the gospel with great power. He was followed by Rev. J. H. Eager, as supply from November, 1875, to July, 1880, when he left to go on a missionary to Italy. The seventh, Rev. W. T. Derieux, was called October, 1880, and for four years was very successful in his ministry until called to another field. The eighth, Dr. L. R. Thornhill, came to the church in November, 1884, and for fifteen years worked and preached the gospel with great earnestness and faithfulness.

In November, 1890, the present pastor, Dr. E. V. Baldy, was installed, and has done a good work. There have been two or three revivals during this pastorate, and good meetings nearly every year. The church house has been beautified.

Trustees, F. A. Lamb, B. A. Nunnally, R. C. Broadbush, W. Brandis, John E. Utz.

The following societies are connected with the church: Woman's Missionary, Ladies' Sewing Circle, Ladies' Hand Society, Young Ladies' Aid Society, Young Men's League, Sunbeam Society, Boys' Band.

The Sunday School—Mr. John E. Utz is the efficient superintendent of the large Sunday school in the Bainbridge Street Church. The school has an attendance of nearly three hundred, and is growing. The kindergarten department, under the care of Miss A. C. Harding and Miss Emma Lamb, has over a hundred, and is growing all the time.

Annual Musical.

On Thursday evening Mrs. Mary Lloyd gave her annual musical at her residence, on East Tenth Street. Many invited guests heartily enjoyed the programme.

The following pupils took part in the exercises: Misses Jessie Anderson, Nellie Angel, Sadie Lucas, Mary Neisler, Blair Goode, Aylis Angel, Josie Jones, Louise Neisler, Bessie Smith, Lela Wright, Irma Wakefield, Hazel Kidd, Josie Jewett; Messrs. Holt Lloyd and John McCurley. Rev. E. V. Baldy presented, in a most pleasing manner, two medals, one to Miss Jessie Anderson and the other to Miss Sadie Lucas, for their work and improvement during the session.

and almost made new; \$5,000 was put on improvement of the building, and \$4,000 on furniture and organ. The church is now beautiful and elegant in every respect.

Since 1850 three new churches have gone out from Bainbridge, viz: Clifton Street, in the West End; Stockton Street, and Oak Grove. All of these churches are prosperous and happy.

Large Membership.

The present membership is over 500. Recently the church enjoyed a revival, in which over fifty persons united with the church, most of them by baptism. Others have been joining the church nearly every Sunday since, making sixty-two members just recently received.

Since entering the new auditorium, over a year ago, there have been frequent additions to the church. About 100 or more have been received in the last eighteen months. The church is well organized, and the large congregations indicate the steady growth and active interest in its general work. The music of Bainbridge Street Baptist Church is a special feature of every service. Mr. Kirk Mathews is the organist and also director of the choir, and his power as a musician and especially with the pipe organ is unusual. The choir is composed of some of the very best singers that can be found, and few churches are blessed with more inspiring and appropriate music of high order. Among those who sing in this choir are the following: T. E. Burton, E. H. Phillips, W. J. Morrisette, Emmett Gregory, Jr., Mrs.

REV. A. D. DAVIDSON, Baptist Minister who will be ordained to-day.

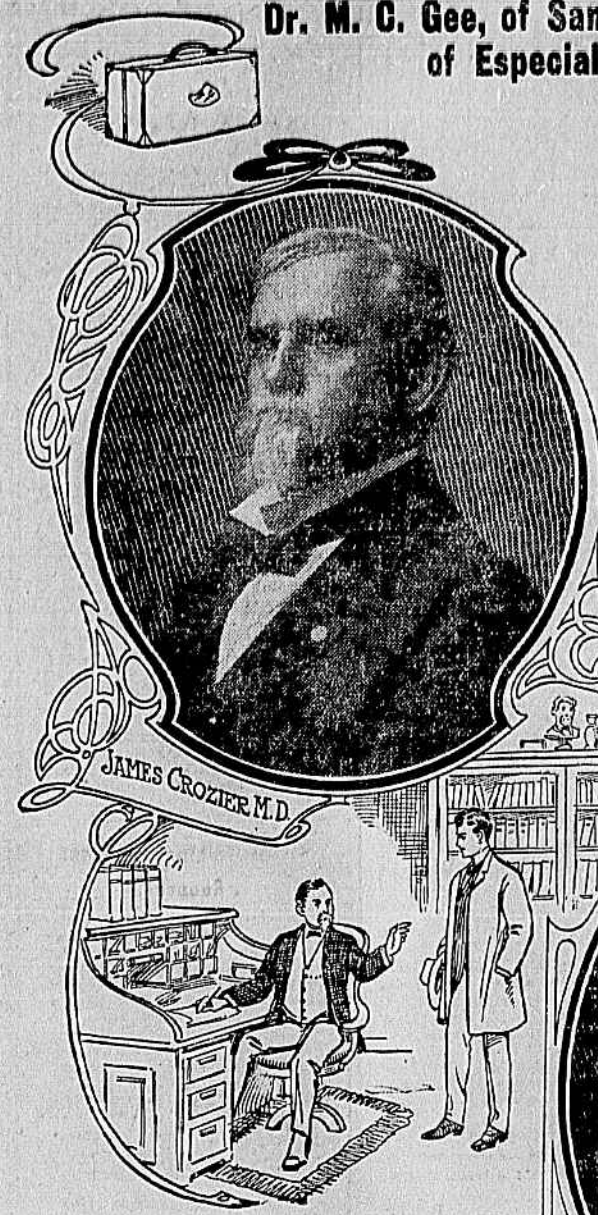

R. P. Shifflet, Mrs. T. E. Burton, Miss Moselle Gregory, Mrs. Emmett Gregory, Miss Page Snelling, Miss Mildred Odell.

The following is a complete list of the officers of the church, as now constituted: Pastor, Rev. E. V. Baldy, D. D.; Deacons, terms expire March, 1910: P. W. Jones, R. C. Broadbush, J. E. PROMINENT PHYSICIANS PRESCRIBE PE-RU-NA.

Dr. M. C. Gee, of San Francisco, Says, "Pe-ru-na is of Especial Benefit to Women."

JAMES CROZIER, M.D.

Dr. A. P. Bogue, formerly Professor of Anatomy at Howard University, writes from the Bureau of Education, Washington, D. C., as follows:

"I have used Peruna in several cases of catarrh and have found it an excellent remedy. I can honestly recommend it to the public as an excellent remedy for catarrh and colds."

A. P. Bogue, M. D.

Catarrh may invade any organ of the body; may destroy any function of the body. It most commonly attacks the head, nose and throat, but thousands upon thousands of cases of catarrh of the lungs, stomach, kidneys, bladder and other pelvic organs have been cured by Peruna.

Peruna is able to cure catarrh wherever it may be located by its direct action upon the mucous membranes. Catarrh means inflamed mucous membranes. Peruna acts at once to cleanse and invigorate the catarrhal condition of the mucous membrane no matter where it may occur in the body. Its action is the same on the mucous lining of the bowels. It cures the catarrhal inflammation wherever it may occur.

Dr. R. Robbins, Muskogee, I. T., writes: "Peruna is the best medicine I know of for cough and to strengthen a weak stomach, and to give appetite. Besides prescribing it for catarrh, I have ordered it for weak and debilitated people, and have not had a patient but said it helped him. It is an excellent medicine and it fits so many cases."

"I have a large practice, and have a chance to prescribe your Peruna. I hope you may live long to do good to the sick and suffering."

We say Peruna cures catarrh. The

people say Peruna cures catarrh. Prominent men and women all over the United States, from Maine to California do not hesitate to come out in public print to say that Peruna is what it is recommended to be, an internal, systemic catarrh remedy that cures catarrh wherever it may be located.

Dr. M. C. Gee's Experience.

Dr. M. C. Gee is one of the physicians who endorse Peruna. In a letter written from No. 513 Jones Street, San Francisco, Cal., he says:

"There is a general objection on the part of the practicing physician to advocate patent medicines, but when any one medicine cures hundreds of people it demonstrates its own value and does not need the endorsement of the profession."

"Peruna has performed so many wonderful cures in San Francisco that I am convinced that it is a valuable remedy. I have frequently advised its use for women, as I find it insures regular and painless menstruation, cures leucorrhoea and ovarian troubles, and builds up the entire system. I can consider it one of the finest catarrh remedies I know of. I heartily endorse your medicine."—M. C. Gee, M. D.

Women are especially liable to pelvic catarrh, female weakness, as it is commonly called. Especially in the first few weeks of warm weather do the disagreeable symptoms of female weakness make themselves apparent. In crisp, cold weather, chronic sufferers with pelvic catarrh do not feel so persistently the debilitating effects of the drain upon the system, but at the approach of summer, with its lassitude and tired feelings, the sufferer with pelvic catarrh feels the need of a strengthening tonic.

Peruna is not only the best spring tonic for such cases, but it persisted in will effect a complete cure. Write for a copy of "Health and Beauty," written especially for women by Dr. Hartman. If you want to read of some cures also write for a copy of "Facts and Faces." That will surely convince you that our claims are valid.

If you do not derive prompt and satisfactory results from the use of Peruna, I write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, president of The Hartman Sanitarium, Columbus, Ohio.

WOULD IMPINGE UPON OLD GRAVES

Interesting Controversy Over Enlarging St. John's Church.

An interesting controversy is in progress over the proposition to enlarge Old St. John's Church.

It is understood that a majority of the congregation desire that the extension shall be on the eastern side, running out forty-five feet, and that a minority oppose this move, because it is alleged that the foundation would impinge upon several ancient graves.

The city is interested in the property jointly with the congregation, and frequent conferences have been held between vestrymen, representing the majority view of the congregation, and the Council Committee on St. John's Burying Ground, but so far no definite view of action has been agreed upon. The committee has police jurisdiction over the grounds and cemetery, and while no vote has been taken, it is understood that many of the members—perhaps a majority—will take sides with the minority of the congregation against impinging upon the graves with the proposed addition to the building.

Rev. R. A. Goodwin, rector, and Messrs. Cyrus Bossieux and John F. Mayer were present to represent the majority of the congregation on Friday night, when the committee failed of a quorum. The outcome of the matter will be eagerly looked for by the public, so widespread is public interest in the old church.
